Strategy Execution for Success Bootcamp

Lisa Carlin

Transform Strategy into Action with AI-Driven Tools and more

Join our 2 day intensive Strategy Execution for Success Bootcamp, tailored for senior leaders aiming to turn strategies into actionable plans, and bring stakeholders with you on the change journey. Suitable for those who are working on strategic projects where stakes are high or their might be resistance. Facilitated by [Lisa Carlin](#), Founder of [TheTurbochargers](#).

Change the way you deliver projects forever. You will:

- Discover how to inspire action at scale, and implement your change strategies in your organisation.
- Transform strategic goals into measurable results with structured, executable plans.
- Apply AI tools to boost productivity and creativity throughout execution.
- Access McKinsey-style executive frameworks for strategy delivery.
- Develop skills to address cultural and behavioural challenges, breaking down resistance to change.

Interactive and Practical:

You will be immersed in virtual team activities, case studies from real projects and individual reflection. You'll apply concepts to real scenarios, sharpening your implementation skills, tools and approach.

Secure your spot today to lead successful strategy execution in the age of AI.

2025 program dates: Wednesday March 26th – Thursday 27th 2025, 9.00-4.30pm AEDT (Sydney time)

Cost: Early bird \$1,997 AUD plus GST available for a limited time. Then \$2,197 AUD plus GST. Discounts available for groups of 4 or more participants.

About your Program Facilitator, [Lisa Carlin](#) GAICD MBA (AGSM UNSW), BBusSci Hons (UCT)

Lisa is a Strategy Execution Specialist. She works with business leaders to plan and execute their strategies in tough environments. Her clients have ambitious goals with much at stake, and likely resistance to change. They love having an independent sounding board and expert advice, so they can navigate their workplace culture and deliver their plans with confidence.

Lisa is author of the globally-acclaimed newsletter, Turbocharge Weekly, 8,000+ business leaders.

Lisa's career includes roles at McKinsey and Accenture, then running her own business since 1999. Over this time she has delivered over 50 implementations with a 96% success rate. Former Adjunct Faculty on AGSM's eMBA program.
